The Journal of the Motherhood Initiative for Research and Community Involvement (ISSN 1923-4139) is published by the Motherhood Initiative for Research and Community Involvement (MIRCI)

The Motherhood Initiative for Research and Community Involvement (MIRCI) is the first feminist organization devoted specifically to the topics of mothering and motherhood. MIRCI is an association of scholars, writers, activists, policy makers, educators, parents, and artists. Our mandate is to provide a forum for the discussion and dissemination of feminist, academic, and community grassroots research, theory, and praxis on mothering and motherhood. We are committed in both membership and research to the inclusion of all mothers: First Nations, immigrant and refugee mothers, working-class mothers, lesbian mothers, mothers with disabilities, mothers of colour, and mothers of other marginalized communities. We welcome memberships to MIRCI and submissions to the Journal of the Motherhood Initiative for Research and Community Involvement (JMI), our biannual publication, from all individuals.

Membership and Subscription Information

For full information on regular and student memberships to MIRCI and regular and student subscriptions to JMI please visit our website <www.motherhoodini-tiative.org>. Please see the last page of this journal for more detailed information.
